Sales Contract & Health Guarantee

The Breeder (Shannon Van Norman) warrants that the above described puppy is a purebred Clumber Spaniel. This puppy is of typical temperament and structure, and embodies the basic standards of the Clumber Spaniel breed.

The puppy will be registered with the Canadian Kennel Club (CKC).

This sale is subject to the Terms and Conditions outlined in the Canadian Kennel Club Non Breeding Agreement.

This Clumber Spaniel puppy has had a health check for heart murmurs, entropion, and any obvious medical problems by our Veterinarian. The puppy has been dewormed and has had a series of vaccines completed. A complete and up to date health record completed by our Veterinarian is included in your Puppy Package.

TrickleCreek has a separate contract for show/breeding dogs. This puppy is strictly sold as a companion and on a non-breeding agreement.

The Breeder warrants that the above described puppy is in good health at the time Purchaser assumes ownership. Purchaser agrees to have puppy examined by a licensed veterinarian within three days of receipt of puppy. If as a result of the examination, the veterinarian determines that the puppy is not in good health, then the Purchaser shall elect to return the puppy for a full refund of the purchase price.

The Purchaser will supply the seller with a Veterinarian certificate stating that the puppy is in ill health when examined. The puppy will be returned to the Breeder at the Purchaser's expense. Upon the receipt of the puppy to the Breeder, the Breeder will send the refund to the Purchaser.

Spay/Neuter

This dog is sold on a **non-breeding contract**. It cannot be used for any breeding's to a pure bred Clumber Spaniel, or to any other breed of dog. The CKC Registration is on a non-breeding contract which ensures that any puppies produced against this contract cannot be registered by any registry, including Canadian Kennel Club and the American Kennel Club.

The puppy must be spayed/neutered by twenty four (24) months of age. We do not recommend that you alter your Clumber Spaniel before six (6) months of age. Proof of spay/neuter must be received by the Purchaser within seven (7) days after the surgery. It is the responsibility of the Purchaser, not a veterinarian, to ensure that TrickleCreek Clumber Spaniels have received appropriate verification confirming that the surgery has been performed. Failure to comply with this agreement by the date below, unless otherwise agreed to in writing, will be considered a Breach of Contract.

By the Purchaser's signing below, the Purchaser agrees to have this puppy spayed/neutered by no later than _____, and he or she understands that this spay/neuter agreement is an agreement that this dog will not produce a litter of puppies either as purposely bred or by accidental breeding. The Purchaser also agrees that should this puppy not be altered, he or she will return said puppy back to TrickleCreek Clumber Spaniels with no expectation of a refund.

Returning of Puppy:

It is understood that no TrickleCreek Clumber Spaniel will be re-sold or placed into another home without the Breeder's written permission.

The puppy will not be sold or given to another breeder, a pet store, puppy broker, auction house for the purpose of resale or otherwise. The Purchaser agrees, if at any time, and for any reason, he or she is unable to keep or properly care for the puppy, the Breeder is to be notified immediately. TrickleCreek Clumber Spaniels has the first option to have puppy returned to the home of TrickleCreek at no cost to TrickleCreek. No refund will be given to the original Purchaser. The guarantee is valid only if the following requirements are met:

This guarantee is only applicable to the above named Purchaser.

The above puppy is being sold as a pet only. The Purchaser must have a spay/neuter procedure done between six (6) to twenty four (24) months of age.

The Purchaser agrees to maintain the puppy's health with yearly checkups with a veterinarian including paying the costs of vaccinations, heart worm, rabies vaccinations, and any other care recommended by a veterinarian.

The Purchaser is responsible for any costs occurred during the puppy's life for Veterinary Care and Treatment.

The Purchaser will provide a safe and loving environment for the puppy for its entire life.

The Purchaser agrees the puppy will have access to a fenced in yard with adequate housing.

The Purchaser agrees that the puppy will never be transported loose in the back of a truck. For the safety of the puppy, we recommend transport to be done in a kennel at all times.

The Purchaser agrees this puppy will never be used as a guard dog and/or for protection purposes as the Clumber Spaniel does not possess that type of temperament.

It is understood that this puppy is sold as a house pet and will not live exclusively outdoors.

The Purchaser agrees to feed the puppy a high quality and nutritious balanced diet (puppies should be taken off the puppy diet and fed a well-balanced adult diet by the age of six [6] months). Tricklecreek highly recommends a non grain food. Too many fillers and grains can cause bloating, allergies, weight gain, and many other health problems.

Feeding recommendations and feeding instructions are included in the Puppy Package.

The Purchaser agrees to never give the puppy cooked or frozen bones as cooking changes the composition of the bone and can result in the bone lodging in the throat or intestine, thus compromising the puppy's life. Raw large soup bones are recommended for healthy teeth, but one must always supervise their puppy during consumption of these items.

This puppy has been sold on a non-breeding contract, if not otherwise stated and agreed upon. If this section of the contract is broken, the puppy and their offspring will be seized by the said Breeder (Shannon Grabill) and necessary legal action will be taken at the Purchaser's expense.

WE HIGHLY RECOMMEND THAT YOU PURCHASE PET INSURANCE FOR THE FIRST TWO YEARS OF YOUR PUPPY LIFE. AN INFORMATION PACKAGE WILL BE PROVIDED IN YOUR PACKAGE.

All Transportation costs to deliver the puppy to the new owner will be the new owner's responsibility.
